Breakdown of Marks and Grade Boundaries:

If you would like to request a breakdown of your marks per exam paper and the overall grade boundaries, please email exams@richuish.ac.uk

You will need to provide your candidate number (this will be on your Huish Hub). This will help you identify how secure your overall grade is within the national grade boundary.

REVIEWS OF MARKING AND ACCESS TO SCRIPTS

The following outlines the different post result services that the Awarding Bodies offer following the release of the Summer 2024 exam results, this information is taken from the JCQ [Post-Results-Service 24 FINAL.pdf \(jqc.org.uk\)](https://www.jcq.org.uk/media/2024/07/24/Post-Results-Service_24_FINAL.pdf)

Access to Script

ATS (Return a priority copy of your script) Deadline: 29 August 2024

The sole purpose of requesting a priority copy of the script is to help decide on whether to request a review of marking service. Centres will receive the copies by no later than 7 September (GCE, AS and A-level qualifications) or by 14 September (GCSE qualifications). Awarding bodies will provide centres with either a hard copy or an electronic image of the script.

Service 1 (Clerical check) Deadline: 26 September 2024

This service includes the following checks:

- *That all parts of the script have been marked*
- *The recording and totalling of marks*
- *The application, where applicable, of any special consideration*
- *Candidate consent is required*

Priority Service 2P (Priority review of marking) – Where HE place is dependent on outcome
Deadline: 22 August 2024

The priority re-marking of externally assessed units. This service will include:

- *The clerical re-checks detailed in Service 1*
- *A review of the original marking to ensure that the agreed mark scheme has been applied correctly*
- *Candidate consent is required*

The deadline for completion is within 15 calendar days of the awarding body receiving the request.

Service 2 (Review of marking) Deadline: 26 September 2024

The re-marking of externally assessed units. This service will include:

- *The clerical re-checks detailed in Service 1*
- *A review of the original marking to ensure that the agreed mark scheme has been applied correctly*
- *Candidate consent is required*

Service 3 (Review of moderation)

Deadline: 26 September 2024

This is a review of the original moderation to ensure that the assessment criteria have been fairly, reliably and consistently applied. Please note that if your centre's controlled assessment or coursework marks have been accepted without change by an awarding body, this service will not be available. Candidate consent is not required.

Outcome of enquiries

- The outcome of each enquiry will be confirmed by the respective awarding body.
- Where a grade changes and a certificate has previously been issued, once the centre has returned the original certificate to the awarding body a replacement will be issued showing the revised grade.
- UCAS will be advised of any changes to GCE and Level 3 Principal Learning qualification grades.
- Where there has been a downgrade, the request will not be revoked and the original higher grade will not be reinstated.

Deadlines

Deadlines are strict and requests received after the deadlines specified will not be accepted by the awarding bodies.

All requests must be made using the Candidate Consent Form available within this document.

Payment

Payment is to be made via the on-line shop before the request will be processed. If the outcome of the enquiry results in a change to the final grade, (either for better or worse) payment will be refunded. There are no refunds for unit marks changes.

Candidate Number		Candidate Name	
Contact telephone no.		Contact e-mail (please print)	

The following information explains what may happen following an enquiry about a result and any subsequent appeal.

There are three possible outcomes from making an enquiry about a result and a subsequent appeal of one of your examinations after your subject grade has been issued:

- Your original mark is lowered, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.

Please note a post-results review of the original marking (RoM) is a service to ensure that the agreed mark scheme has been applied correctly.
It is not a re-marking of the candidate's script.

In order to proceed with the enquiry about results, you must sign the form below.

This tells the head of college that you have understood what the outcome might be, and that you give your consent to the enquiry about results being made.
