

Area News – Careers & Progression

What have we been up to?

- We have been supporting students with their progression after college.
- Helping to arrange work experience.
- Ran a sports careers morning where vocational sports students had the opportunity to get involved with a carousel of talks and activities relating to career progression pathways from industry experts.

Recently we have been doing ...

- Real Estate Event
- CareerFest
- DJB Event
- Progression Day for Year 1s
- Earth Sciences Careers morning
- Apprenticeship event
