What have we been up to?

We've hosted our first annual Sport Careers Event! Year 1 students have had the opportunity to hear from a range of Sports Industry Professionals. These included:

Rhys Beer, Next Wave Sports and Media & England and Wales Cricket Board

Steph Moreland, SASP

Simon Ingram, Consultant Physiotherapist, Somerset NHS Trust

Toni Smyth, Somerset Cricket Foundation

Jack Lyons, Cardiff MET University Football

Ellie Tickner, Premier Education

The day began with a talk from Rhys Beer about the Business of Sport and his own pathway after college.

The students then rotated around a number of employer led workshops and activities to explore the different career pathways.

Year 2 students are about to head out on work experience placements next week. These range from the Foot and Gait Clinic in Taunton, Saints South West, Enmore Park Golf Club and Walsall Football Club! This opportunity has even presented employment opportunities to students post college.
