Breakdown of Marks and Grade Boundaries:

If you would like to request a breakdown of your marks per exam paper and the overall grade boundaries, please email from your student Huish email address to exams@richuish.ac.uk

You will also need to provide your candidate number (this will be on your Huish Hub) and the subject(s) you are requesting a breakdown of.

A breakdown of marks and grade boundaries will help you identify how secure your overall grade is, within the national grade boundary.

REVIEWS OF MARKING AND ACCESS TO SCRIPTS

The following information explains the different post result services that the Awarding Bodies offer following the release of the Summer 2026 exam results, this information is taken from the JCQ Document here [JCQ-Post-Results-Services-2026-Final.pdf](#)

Access to Scripts

There are two options regarding access to scripts: a priority service or a non-priority service.

The priority service is for any student who would like to see a copy of their marked script to help decide whether you want to pursue any other Post Result services or where a Higher Education place is dependent on the outcome.

The non-priority service is for any student who would like to see their marked scripts for personal use and may not feel any further Post Results services are necessary.

How to make this request: Please complete the Candidate Consent form on page 8, with a line for each script you wish to request and return the completed form to exams@richuish.ac.uk via your student email account. Upon submission, awarding bodies will provide centres with an electronic copy of the script, which will be returned to your student email account.

Please see the Fees and Deadline table relating to each exam board on pages 6 and 7.

Please note the Post Results Services deadline is **Thursday 24th September 2026 @1pm**, regardless of when the scripts were originally accessed/requested.

Service 1 (Clerical Re-check)

This service includes the following checks:

- *That all parts of the script have been marked*
- *The recording and totalling of marks*
- *Candidate consent form is required and must be held on file by the centre*
- *Upon submission of the request, estimated completion from the awarding body is approximately 10 calendar days*

How to make this request: Please complete the Candidate Consent form on page 8, with a line for each script you wish to request a clerical re-check of and return the completed form to exams@richuish.ac.uk via your student email account.

Upon submission, awarding bodies will provide centres with a document including a statement of the total marks awarded for each unit/component included in the request. This will be returned to your student email account.

Please see the Fees and Deadline table relating to each exam board on pages 6 and 7.

Priority Service 2P (Priority Review of Marking) – AS, A Level and BTEC Level 3 Units Only

The priority review of marking can be requested for externally assessed units/papers. This service will include:

- *The clerical re-checks detailed in Service 1*
- *A review of the original marking is to ensure that the agreed mark scheme has been applied correctly*
- *Awarding bodies **will not** remark the script, they will only act to correct any errors identified in the original marking*
- *Candidate consent form is required and must be held on file by the centre*
- *The deadline for completion is within 15 calendar days of the awarding body receiving the request.*

How to make this request: Please complete the Candidate Consent form on page 8, with a line for each script you wish to request a priority review of marking on and return the completed form to exams@richuish.ac.uk via your student email account.

Upon submission, awarding bodies will notify centres that the request has been received. When the outcome is reached awarding bodies will notify the centre and we will inform you of the outcome via your student email account.

Please see the Fees and Deadline table relating to each exam board on pages 6 and 7.

Service 2 (Review of Marking)

- *Awarding bodies **will not** remark the script, they will only act to correct any errors identified in the original marking*
- *Candidate consent form is required and must be held on file by the centre*
- *The deadline for completion is within 20 calendar days of the awarding body receiving the request.*

How to make this request: Please complete the Candidate Consent form on page 8 with a line for each script you wish to request a review of marking on and return the completed form to exams@richuish.ac.uk via your student email account.

Upon submission, awarding bodies will notify centres that the request has been received. When the outcome is reached awarding bodies will notify the centre and we will inform you of the outcome you via your student email account.

Please see the Fees and Deadline table relating to each exam board on pages 6 and 7.

Service 3 (Review of Moderation)

This is a review of the original moderation to ensure that the assessment criteria have been fairly, reliably and consistently applied. This is not a re-moderation of the candidates' work.

- *Please note that if your centre's Internally assessed marks (coursework or non-examination assessment) have been accepted without change by an awarding body. This service **will not** be available.*
- *The review of moderation will only be carried out on the original sample of candidates' work.*
- *A review of moderation **cannot** be accepted on the work of any individual candidate or candidates work that was not selected in the original sample.*
- *Candidate consent is **not** required.*

Appeals

The appeals process is available to centres and private candidates after receiving the outcome of a review of results. Appeals should be submitted to the exam board within 30 calendar days of the outcome of a review of marking.

Further information around the appeals process and frequently asked questions can be found here: [Appeals – Joint Council for Qualifications](#)

Before submitting an appeal please ensure you have read and understood the guide to the awarding bodies' appeals processes here [Appeals Booklet 2025 FINAL.pdf](#)

Should you wish to submit an appeal please liaise with the Exams Office, regarding the candidate consent form on page 8 and payment information/fees.

The Exam Boards have clear and strict deadlines that centres must adhere to.

Payments

Please ensure you have completed the required paperwork for the Exams Office, before making payment using the on-line shop [Richard Huish College Online Store](#)

Please refer to the tables above for the fee information.

Please note the fee is **per paper/unit not subject.**

Please note applications will not be processed until the candidate consent form is completed in full, this must be sent via your Huish student email address. Payment must be made via the on-line shop before the request will be processed.

Requests received after the deadline will not be accepted by the Awarding Bodies.

If the outcome of your request results in a change to the final grade, (either for better or worse) payment will be refunded.

Refunds will not be made for individual paper mark changes, which do not affect the overall subject grade.

Outcome of enquiries

Please note that any outcomes or documents from the exam boards will be returned to the candidate's Huish student email address.

- The outcome of each enquiry will be confirmed by the subject awarding body.
- Where a grade changes and a certificate has previously been issued, once the centre has returned the original certificate to the awarding body a replacement will be issued showing the revised grade.
- UCAS will be advised of any changes to GCE and Level 3 qualification grades.
- Where there has been a downgrade, the request will not be revoked and the original higher grade will not be reinstated.

POST RESULT SERVICES – CANDIDATE CONSENT FORM - SUMMER 2026 EXAM SERIES

Candidate Number		Candidate Name	
Contact telephone no.		Student Huish e-mail (please print)	

There are three possible outcomes from requesting a clerical re-check/review of marking:

- Your original mark is reduced, so your final grade may be lower than the original grade you received.
- Your original mark is confirmed as correct, so there is no change to your grade.
- Your original mark is increased, so your final grade may be higher than the original grade you received.

In order to proceed with any post result service requests, you must complete and sign the form below.
This informs the Head of Centre that you have understood what the outcome might be, and that you give your consent to the enquiry about results being made.

Please note a post-results review of marking (Service 2 and 2P) is a service to ensure that the agreed mark scheme has been applied correctly.

It is not a re-marking of the candidate's script.
